Advance Report No. AP-6
Catalogue No. 92-520

22-6-1962

Rapport anticipé n° AP-6
N° de catalogue 92-520POPULATIONBy Marital Status

Final population counts of the 1961 Census are presented in this report distributed according to marital status (i.e., whether single, married, widowed, or divorced). Figures are shown for provinces, counties and census divisions, as well as for individual cities, towns, and villages of 10,000 population and over.

More detailed classifications of marital status by sex, marital status by age groups and sex, etc., will be issued at later dates as part of the regular volume series of final reports of the 1961 Census. The purpose of this advance report is to make available summary totals at the earliest possible date.

Each person enumerated in the census is classified as to whether he or she is single, married, widowed, or divorced. Figures shown under the heading "married" include married persons who at the time of the census were living apart for any reason, including those where legal separation proceedings may have taken place. Single persons are shown in this report in two broad age categories, viz., under 15 years of age, and 15 years of age and over.

POPULATIONSelon l'état matrimonial

Le présent rapport donne le chiffre définitif de la population répartie selon l'état matrimonial (i.e., célibataires, mariés, veufs ou divorcés), d'après le recensement de 1961. La répartition est donnée pour les provinces, les comtés et les divisions de recensement, ainsi que pour les cités, villes et villages de 10,000 habitants et plus.

Des classements plus détaillés de l'état matrimonial selon le sexe, de l'état matrimonial par groupe d'âge et selon le sexe, etc., paraîtront plus tard dans la série régulière de volumes contenant les résultats définitifs du recensement de 1961. Le présent rapport anticipé a pour but de faire connaître le plus tôt possible les totaux sommaires.

Toute personne recensée est classée selon qu'elle est célibataire, mariée, veuve ou divorcée. La catégorie "mariés" comprend les personnes mariées qui, lors du recensement, vivaient séparées pour un motif quelconque, même celles qui faisaient des démarches pour obtenir une séparation légale. Les célibataires sont répartis en deux groupes d'âge, à savoir: ceux de moins de 15 ans et ceux de plus de 15 ans.
